# IMPORTANT INFORMATION

## Safety in the Museum

To ensure your experience is both fun and safe you must provide adequate supervision of your children at all times. This is why accompanying adults up to a ratio of 1 to 3 gets free admission into the Museum. This means for every 3 children there can be one free adult entry into the Museum display area. Any extra Adults above this ratio can purchase a Museum admission ticket for \$10 (usually \$15).

The Museum is a memorial to all the men and women who have served in our armed forces. We ask that you please be mindful of the nature of the Museum and the other members of the public visiting at the same time. It is therefore important to keep your children within sight at all times and ensuring noise levels are not too loud to impact on the enjoyment of other visitors.
